# Welcome, Resident Commissioner, Alexandro Morris!

Please help us welcome Alexandro Morris, the new Resident Commissioner for the Charter Oak Communities (COC) Board of Commissioners! Alexandro Morris successfully petitioned and was sworn in by Mayor Caroline Simmons effective January 4, 2024.

Born and raised in Brooklyn, NY, Alexandro grew up in subsidized housing. Having earned a bachelor's degree in early childhood education, Alexandro is proud of his accomplishments as an educator for over 18 years and parent of four children.

When asked about his motivation to serve as a Resident Commissioner, Alexandro quickly shared his strong belief in having representation in your community.

Since moving to CT in 2005, Mr. Morris has been an active participant in the community, great support for neighbors, and a resource for his students and their families, which has prepared him for this opportunity.

We are happy to have Alexandro Morris join the Charter Oak Communities Board of Commissioners team!
